# Waldringfield Sailing Club - August 2014

The Sailing Club is having a wonderful summer. Lots of sun, warmth and wind keeps the sailors very happy.

Cadet Week finished on 1 August. As usual, the Club was in almost continuous action, both day and evening, for five whole days and the participants, when they were not on the water competing, were in and out of the river, canoeing, playing games and, of course camping, in our car park.

Of course, the racing was serious too, especially as several of our Cadet teams will be travelling to Weymouth (the Olympic Sailing venue) for their National and World Championships in August.

Two of the Club's Wayfarer sailors took their boats to their European Championships (also in Weymouth) and Roger Challis and Neil Fletcher did superbly well, coming 2<sup>nd</sup> and 6<sup>th</sup> out of a fleet of 60 boats.

Looking back, the Regatta was held in early July, with the traditional shore events on the beach followed by sailing, eating and dancing; just another of those gorgeous Waldringfield weekends.

Looking forward, the Bottle Boat Championship will be held on 31 August. That is always a fun and colourful spectacle, with the course for the races laid right in front of the Clubhouse. Then the Cartoon Trophy weekend will be held at the end of September.

## RECYCLING EXPERIENCE TOURS

Have you ever wondered what happens to the recyclable materials collected from your blue-lidded bin? If so, you can find out by visiting the Materials Recycling Facility (MRF) at Great Blakenham, Suffolk.

The Recycling Experience is a unique opportunity to see at first hand how Suffolk's domestic recyclate is sorted and passed back into the manufacturing chain for recycling into new products. The MRF at Great Blakenham offers tours of the recycling facility to groups, organisations and schools across Suffolk. The minimum number for a group booking is 8 people.

If you do not have a group of 8, you can still visit as an individual or smaller group by attending one of the open days which this year will be on 11<sup>th</sup> and 12<sup>th</sup> September. Booking is required for either a group visit or to attend an open day. To find out more, or to book a tour, please contact:-

## A message from Suffolk Police

A burglary happened this summer between 1600hrs & 1800hrs.

We have had a few burglaries during the hours of darkness, but this is a worrying trend if they start during daylight hours. If the word could be spread around the village to keep properties secure, it may stop further crimes occurring.

PCSO 3176 Glynn Bown

Felixstowe & District Safer Neighbourhood Team

I would like to extend my grateful thanks to the villagers of Waldringfield for their kindness and generosity in donating the sum of £91.77 in the recent house to house collection in aid of Arthritis Research UK.

The grand total raised amounted to £1,012.75.

Thank you for your continued support.

IAN CRAIG.

Treasurer, Woodbridge branch

## THE WAY WE ALL REGISTER TO VOTE IS CHANGING

Individual Electoral Registration (IER), recently introduced in England and Wales by the Government means that every individual is now responsible for their own registration instead of doing it by household.

***Most people on the current register will be transferred automatically to the IER register without having to do anything.***

In early August you should have received a letter from Suffolk Coastal District Council letting you know that either:

- Your details have been confirmed and successfully transferred to the IER register and you do not need to do anything further, **or**
- You need to provide additional information in order to be registered under IER and you will be sent an Invitation to Register Form.

**New applications** to register to vote (if you have recently moved into or within the Suffolk Coastal district) will have to be made individually. With IER, for the first time, you will be able to register online - this is the simplest and quickest way to register.

You will be able to register online at [www.gov.uk/register-to-vote](http://www.gov.uk/register-to-vote). You will need to provide your National Insurance Number and date of birth. Remember that each person over 18 in the household will need to apply individually.

You can also apply on a paper form which Suffolk Coastal will send to you pre-filled with the information already known – please call **01394 444685** or email [elections.scdc@eastssuffolk.gov.uk](mailto:elections.scdc@eastssuffolk.gov.uk)

## All Saints' Church

Following our great loss in December, we have been very fortunate in the support we have received from the diocese. We have been able to hold a service every Sunday, with visits from various vicars who have all been delighted to come to Waldringfield.

We remember John in so many ways, but we have yet another testimony to all his good works when we see how many of his fellow preachers are so happy to come to Waldringfield.

We are doing what we can to keep your village church alive, not only in John's memory but also as a historic building. If you don't wish to come to worship, as a parishioner you have the right to be baptised, married and buried at your church. You may like to reflect on this and think about how this wonderful old building is to be maintained.

The greatest thing about this lovely old church, in its peaceful setting looking down to the river, is that we are so blessed to have a place where any of us, of whatever persuasion, can walk to and reflect in solitude and peace.

We have held our two major fund-raising events this year.

Our usual Auction of Promises for May appeared in a very successful new guise in the village hall with a sausage supper, and with James Barclay's debut as auctioneer. A very enjoyable evening resulted in the magnificent sum of just over £4,000 .

A Rock Party was held at Rivers Hall on August 9th held through the incredible generosity and hospitality of James and Rolls Barclay. A wonderful evening...with a thankful stay in the weather... thanks to 'Head Office' (John Waller's description !)

Great music by very local rock band, 'Bits and Pieces', picnics, wine and a marvelous cocktail bar manned by the Barclay family (more please!!) Amazing lighting of James' and Rolls' house and huge enjoyment by various children. Led balloons, face painting and glow bracelets courtesy of the Earle grandchildren.

Many thanks to the fund raising committee of All Saints' Church.

Oh! By the way! We raised just over £1,400 for our historic building of All Saints' Church and enjoyed such a wonderful evening.

PS Sorry if you missed this wonderful evening....not too late to make a donation via James and Rolls Barclay, Margaret Quantrill, Ron Payne, Anne Parkinson, Bridget Dearlove, Serena Gold, Frances Matheson, Harriet Earle.
