

HOME HEATING OIL SECURE IT, DON'T LOSE IT

- Consider installing a lockable cap.
- Consider installing a tank alarm system.
- Consider installing 'Dusk-to-Dawn' lighting.
- Check you are **INSURED** against theft of oil **AND** damage to tank / subsequent clear up costs.
- Monitor oil levels regularly and report theft.

BE VIGILANT – REPORT SUSPICIOUS ACTIVITY - DIAL 999

For further advice on securing your Home Heating Oil, contact your local Crime Reduction Officer on
