Report from the History Group

In April the History Group presented another talk in the Village Hall which appeared to be well received. We had all gone out to research notable individuals living in Waldringfield. We started with Notable and Notorious Inhabitants, which slowly evolved into Notables, and then to Artists, including a dissection of The Maybush Cartoon. A number of the characters in the cartoon were recognisable particularly to long time inhabitants of the village, often with little stories attached, and new information received at and after the talk, is being added.

Waldringfield History Group do NOT meet during the summer, but will return Thursday 14th September at 2pm to 5pm in the Kennedy Room. Hopefully they will be refreshed and ready to share their summer's research. Everyone has their own interests and expertise so are able to help or add to others research or ideas others.
