

Parent and Toddler group.

Waldringfield parent and toddler group meet every Thursday morning during term time, 10.30am till 12 noon. We meet in the school hall.

We are a very small group at present due to children leaving to go to school.

We are a very friendly bunch who welcome any parents, grandparents, carers and children to pop along and try the group out for free.

After that we charge £1.50 per family which includes refreshments. We offer a good variety of toys and also a craft table for messy activities.
