**Re: Waldringfield Parish Council Response to DC/19/4095/TPO**

**TPO SCDC/03/00163 T8 oak located behind the 2 rows of beach huts – crown thin 15-20% and selectively prune back where branches overhang huts and to retain balance. Reason: to reduce wind permeability.**

Dear Nick Newton,

At its meeting on 12<sup>th</sup> November, Waldringfield Parish Council discussed the above application, paying due consideration to the report of the village Tree Warden, Mrs Christine Fisher Kay. Mrs Fisher Kay agreed with the works proposed (commenting that the work should be done at the correct time of year and in accordance with best practice). Therefore, the Parish Council **supports** the application.

Kind regards,

Rebecca Todd  
Parish Clerk
