Dear Mrs Rebecca Todd

Re: Removal of BT Payphones – O/S Maybush Inn, Cliff Road, Waldringfield

The District Council is writing to you as part of its formal consultation process regarding BT's current program of proposed public payphone removals which affects a payphone located in your parish. It is the responsibility of the District Council to canvas the opinions of the local community on the removal of payphones and determine whether to veto their removal or not. More information on the removal process can be found online –

<http://stakeholders.ofcom.org.uk/binaries/consultations/uso/statement/removals.pdf>

Should the District Council agree to the removal of the payphone facility, BT does also offer Parish Councils and registered charities the facility to adopt a kiosk, taking ownership of the kiosk for a fee of £1 thereby protecting the heritage of the community. More information on the adoption process can be found online – <http://bt.com/adopt>

The consultation period with BT will close on 27th January 2020; therefore all responses to this consultation letter should be submitted to the District Council Planning Department for consideration within four weeks of the date of this letter. Please specify the Parish Councils recommendation on the proposal to remove the payphone within the attached table that should specify the recommendation and reasons to accept or object to the proposed payphone removal. Please also indicate within the table whether the Parish Council would be interested in adoption of the kiosk.

All correspondence should be marked for the attention of Charlie Bixby.

Yours sincerely

Charlie Bixby (Assistant Planning & Enforcement Officer)

| Comments/Reasons | The Parish Council strongly feels this is an <u>essential</u> payphone due to its close proximity to a defibrillator. To access the defibrillator, a call needs to be made to the emergency services. The mobile signal is very poor here (near the river) and there may be a need to make a call for a defibrillator code when the pub is closed. |
| Would the Parish/Town Council wish to adopt the kiosk? | The Parish Council wishes the payphone to remain operational. |
