WPC RESPONSE TO DC/24/3930/FUL
Submitted via the planning portal

For information our understanding of the recent planning history:

Previous application DC/24/0238/FUL was permitted in March 24. Waldringfield Parish Council SUPPORTED providing a condition be applied to any planning permission that a lighting plan is submitted and approved by ESC before any additional exterior lighting is installed. This was conditioned as Condition 4 of the permission.

DC/24/2452/AME of the above was Permitted in July 24 – basically a change in external rear finishes. WPC made no comment.

DC/24/3630/AME | Withdrawn Nov 24

Current application DC/24/3930/FUL.

WPC is pleased to see the proposed changes to the roof of the new conservatory at the rear of the property, i.e. the replacement of the flat roof and roof lantern with a tile effect pitched roof.

WPC therefore **SUPPORTS** this application providing a condition is applied to any planning permission that a lighting plan is submitted and approved by ESC before any additional exterior lighting is installed. In other words, as per Condition 4 of the previous application DC/24/0238/FUL
