22 February 2024

WPC Re-Consultation response to DC/23/4582/FUL | Refurbishment and minor extension to the existing timber, single storey Youth Hall at Waldringfield Baptist Church. The works include adding a 45m² floor area extension and replacement of existing wall and roof cladding, windows and doors. The works also plan to include access and internal modifications and adoption of better fire-proofing and insulation materials. The building is used for several meetings organised by the church such as toddler groups, youth club, prayer meetings and community meals. | Baptist Chapel Newbourne Road Waldringfield Suffolk

Response:

Thank you for the opportunity to comment on the amended drawings.

We are pleased to see that the materials used on the existing building and the proposed extension will be of a darker, more recessive colour finish than originally proposed.

We understand that the external lighting will be covered by condition.

WPC therefore has NO OBJECTION to this application in its amended form.
