A member of the public made representations regarding the new “max 20mph” signs at the bend into the village. The person said that the one in School Road is too large and that the one in Ipswich Road meant that, to allow traffic the distance in which to slow down, the 30mph limit should be moved further out in the approach into the built-up area. The person’s choice would be to move it right back to the Heath crossroads. The Chair said that these issues would be on the agenda of the May meeting.
