DC/22/4411/TPO | 1no. [Changes to Group of TPO Trees] -| Rivers Hall Fishpond Road Waldringfield Woodbridge Suffolk IP12 4QX – Planning Officer – Falcon Saunders – Comments deadline 15 December 22

The Tree Warden provided a report to Councillors; the planning group had nothing further to add to the application.

Motion that the WPC support this application – Proposed - Cllr Elliot, Seconded – Cllr Reid – all in favour.

DC/22/4230/DRC | Discharge of Condition 10 (improvement of public access connections) of DC/17/1435/OUT. | Land South And East Of Adastral Park Martlesham Heath Martlesham Suffolk- Planning Officer – Rachel Lambert; Comments deadline 19 December 2022.

This application is a condition in the outline application and relates to footpaths / cycle paths, and bridleways. The plans were reviewed by the Planning Group and noted they were positive, but recommended a response highlight the need to retain public access to the PROW network for the duration of the build out.

Motion that the WPC support the application subject to the PROW access is to be maintained - Proposed -Cllr Kay, Seconded Cllr Gold – all in favour;

DC/22/4609/VOC | Variation of Condition No 2 of DC/20/4265/FUL - (Two storey and single storey extensions & alterations (following demolition of adjoining garage) and new detached garage) | Cadges Cave Deben Lane Waldringfield Woodbridge Suffolk IP12 4QN Planning Officer – Jamie Behling; Comments deadline 21 December 2022

Cllr Elliot presented on behalf of the Planning group. This application proposes a change to the Juliette balcony previously approved. WPC previously expressed concerns about the two balconies approved in the application, and the planning officer's report noted these concerns but felt the issues were addressed through the approved plan for Juliette balconies.

The planning group advised that this VOC seeks to modify the Juliette balcony to a full balcony, which would therefore cause direct overlooking of the neighbouring property causing a loss of amenity. This is contrary to ESC Policy SCLP11.2.

The planning group recommended objecting to the application.

Motion the WPC object to the application on this basis – Proposed - Cllr Gold, Seconded- Cllr Elliot – all in favour.

Cllr Elliot presented on behalf of the planning group. The group reviewed photos of the existing summer house and the proposed new green house, and there were no detrimental impacts identified. Cllrs Noted

To **RECEIVE** any other planning information.
Nothing further

7. To **RECEIVE and CONSIDER second draft of 2023-24 budget**

The Clerk advised that the Band D equivalent household figure had been confirmed for this year as 255.28 – which has gone down. This is due to the application of discounts and a further reductions for Council Tax Support.

The Clerk also noted the new Pay Award from NALC. This award was greater than anticipated.

Cllr Elliot opined that the training budget should be expanded given this is an election year. A figure equivalent to 5 training places should be incorporated.

It is also noted that the £500 for Coronation celebrations (agreed last meeting) is not reflected.

Cllrs requested the clerk investigate cost saving in terms of printing for the newsletter and confirmation of rates for suppliers.

Cllrs indicated that a 5% increase to Precept would be the desired outcome.

8. To **RECEIVE updates on facilities proximate to the waterfront**

The letter approved was sent on to ESC, who have acknowledged receipt. This was copied to our ESC Councillors. Cllr Richardson confirmed he had received the letter and the response from ESC, He further indicated he would support the WPC in their application should this be required.

Cllr Elliot raised the additional issue of the lack of response to the unenforceable conditions letter to Mr. Ridley in July 2022. Clerk to follow up with B Woolnough who was assigned to respond to the letter.

9. To **RECEIVE updates from Greener Waldringfield**

Cllr Reid spoke on behalf of the group – the directory was published, with thanks to the WPC. This was distributed with the Newsletter to residents.

To **DISCUSS** Green Infrastructure workshops

Cllr Reid outlined that there is an organisation that will be coordinating these workshops – and they are presently looking to include the Deben Estuary. Once the organisation plans the

Waldringfield Parish Council

1983

workshops; the WPC would be invited to support and participate. 10 areas of Essex are already working under the benefits of these workshops and it is hoped to extend this to Suffolk.

Cllr Reid advises that GW is seeking to inform the WPC they may in future be notified and invited to attend.

Cllrs noted and were supportive of the initiative.

10. To RECEIVE playing field monthly inspection report

Cllr Archer presented the December inspection report. Safety surfaces are going green, but when tested are not slippery at this stage but should be monitored.

Other issues identified are on-going and it is suggested that badly decayed and splitting wood should be removed. Propose this is undertaken in January/February 2023

To RECEIVE updates on chains purchase/installation

Report was circulated to Cllrs.

Cllr Reid advised that the issue of replacement chains previously agreed arose as the replacement chains ordered were returned as they were not suitable. When investigating purchasing the chains from other suppliers, discrepancies in compliance arose, which led to the clerk seeking clarification on compliance from the authors of the inspection report.

The technical advisor contacted advised that the relevant section in the report indicated low risk and that it was not expected that the chains were replaced at this stage or until they were "due for replacement". Cllrs Reid and Archer recommend that the chains are still in a good state and given this new information, they do not need to be replaced at this stage.

Motion the WPC do not need to purchase replacement chains at this time –Proposed -Cllr Reid, Seconded- Cllr Gold – all in favour.

11. To RECEIVE updates/reports on public rights of way, verges and road safety matters.

Cllrs requested that the Clerk discuss the amendments and costs with Cllr Mulcahy, and to request of Highways what will happen to the previously purchased sign.

Motion to approve quoted costs of £570.00: Proposed - Cllr Kay; Seconded-Cllr Beaumont – all in favour

Cllr Elliot also requested while speaking to Cllr Mulcahy to raise the issue of the flooding that continues where Waldringfield Road meets Newbourne Road.

To RECEIVE updates on bollards applications on verge outside playing fields

Clerk advised that letter has been sent, however no response received as yet.

12. CLERK AND RFO REPORT

To CONSIDER and APPROVE items of expenditure, and arrange for approval of BACS accordingly – see separate list.

Waldringfield Parish Council

1984

Cllr Elliot reviewed and signed the invoices.

BACS to be approved by – Cllr Archer and Cllr Reid.

To **RECEIVE** and **APPROVE** the Financial Reports and **UNDERTAKE** the independent Bank Reconciliation.

Reports reviewed and signed – Cllr Elliot

To **DICUSS** providing hybrid meetings for members of the public

Cllr Kay and Clerk advised that a resident had enquired about providing the meetings on line so residents could observe.

Cllr Elliot advised that it was not very successful during the lockdowns where this was undertaken as individual speakers could not be heard. Cllrs opined that to provide an acceptable remote meeting either a high quality central mike or individual mikes (or councillor laptops which serve as individual mikes) would be required. The WPC does not currently own these pieces of equipment and Cllrs opined they are substantial in cost to purchase.

Cllrs were also advised this is a request from a single resident; Cllrs were concerned whether the specific resident had reasons for not being able to attend, such as a disability. The Clerk will enquire with the resident.

Cllrs did want to ensure the meetings are openly accessible to residents, and outlined alternatives to attendance included contacting the Clerk (email or phone), speaking to a Councillor, accessing agendas and minutes on the website and attending where possible.

Cllrs asked the Clerk to respond to the resident.

13. To **CONSIDER** responding to Public Consultations:

Cllrs had no comments.

b. Transport East Rural Mobility Survey
Response submitted.

14. To **CONSIDER** any correspondence received before the meeting – see separate list

Cllr Elliot noted the new Citizens Advice Bureau for our area and suggested perhaps there is a CAB advisor who could hold a clinic in Waldringfield – maybe 4 hours – in a room at the Village Hall. This may provide a suitable warm room. Clerk to contact local CAB.

15. **PARISH MATTERS** for the next meeting.

Felixstowe Partnership – update on cost of living support issues
Budget

16. Pursuant to Section 1(2) of the Public Bodies (Admissions to Meetings) Act 1960, to **RESOLVE** that, because of the confidential nature of the business to be transacted, the public and the press leave the meeting during the consideration of Item 17 (personnel matters).

Proposed Cllr Kay, Seconded Cllr Elliot – all in favour

Clerk left the meeting 21.28pm

17. To **DISCUSS** the NALC Pay Award.

It was decided to alter the Clerk's salary to align with the NALC 22/23 pay scales, back dated from April 2022, and that this should be reflected in the draft budget. Dissatisfaction was expressed at the lateness of the information coming from NALC, and it was emphasised that WPC uses the NALC scale as a guide only. It was agreed that the Parish Council wishes to

Waldringfield Parish Council

1985

To **DISCUSS** Green Infrastructure workshops

Betsy Reid, Secretary for Greener Waldringfield submitted the following (sent to Cllrs 26.11.22) for Council's consideration:

Dear Councillors,

In conversation with Peter Hobson (Professor of Biodiversity Conservation and Sustainability at Writtle University) about other things this thought that he would do a couple of workshops for a cluster of local parishes arose. The fundamental objective is to build Green Infrastructure: Councils have an obligation under a new mandatory system of spatial strategies for nature established by the Environment Act 2021 to produce a local Nature Recovery Strategy – and indeed Suffolk has one, written in 2020. Little has been implemented however, and Peter assures me from his experience in running ten workshops for Essex County Council, that this bringing together of stakeholders (farmers, statutory groups eg RSPB and SWT, Defra, local councillors, perhaps significant land holders) for detailed face to face assessment and planning moves things forward significantly in transforming aspiration into action.

I attach Peter's resume of what would be involved. Provisionally he has agreed that Friday 24th March and Friday 28th April could be appropriate days when he is available and Waldringfield Village Hall is not yet booked.

As regards funding my impression is that there would be smallish (£200 – 300) grants from Woodbridge Climate Action Centre and Martlesham Climate Group, which is a start. GW proposes also to apply to the Greenprint Forum's Nature First fund, and possibly to Suffolk County Council. Key people in all the bodies I have mentioned have expressed verbal interest and support.

I hope you can discuss this at the next meeting of your group.

ITEM 11

To **APPROVE** costs of new sign outside Red Bricks - £570.00

The following was received from Highways when instruction was sent regarding changes to the sign outside Red Bricks:

Dear Jennifer,

We would have to charge the Parish Council £570 to cover the costs of undertaking this work. It will require a works pack to be put together and some health and safety checks before we can formally order the works. Once ordered, the operations team have a maximum of 14-weeks to complete the works.

If the parish council are happy to proceed on that basis, can you confirm by return e-mail and I will commence work on the works pack.
