Cllr Nimmney gave an update on the election count which he attended. He advises that the change of government means that central government policies on issues such as planning and nuclear power have yet to be seen and are of potential concern to District councils.

Cllr Nimmney attended the Strategic planning meeting where they were provided with updates on energy projects– Sizewell C and the windfarms connections via the national network. Development sites update was also provided: Brightwell Lakes was mentioned as positive one with strong community engagement. Cllrs agreed.

ESC is looking for more involvement from Parish Council's in development of Neighbourhood plans. Cllrs explained that the primary objective of Neighbourhood plans are to comment on where development would be best placed. For a small Parish, it is a large investment of time and funding – and ultimately further development within the Waldringfield development envelope is not desirable. As such, undertaking a neighbourhood plan was dismissed.

ITEM 12

12. To **REVIEW** and **ADOPT** the following WPC policies:

The WPC takes guidance on the Financial Regulations from NALC. Following a number of years without significant update, NALC released new Model Financial Regulations in May 2024 which were circulated to Parish Councils after the WPC adopted their regulations.

The revised Financial Regulations were circulated to Councillors with these documents. There was a re-ordering of the regulations and new sections added to clearly identify specific statutory responsibilities. For the purposes of the WPC, existing procedures are compliant with these regulations and they are simply clearer in their delineation. WPC practice is outlined where applicable as has been in previous version adopted in May.

ITEM 13

13. To **RECEIVE** updates/reports on public rights of way, verges and road safety matters:

Clerk advises that following contact from a resident – the road surface on Fishpond Road has been reported to Highways. The grooving of the tarmac is significant in one particular spot, and the potholes in the passing places are also very pronounced.
