Cllrs Ninnmey and Reeves spoke to and amplified their report. There was no report this month from the County Councillor.
 - c To **RECEIVE** updates on crime data from Suffolk Police. These were noted

Proposed by Cllr Reid and seconded by Cllr Kay with all in favour of approval.
6. **MATTERS for Report** from minutes of previous meetings and to **REVIEW ACTION POINTS** from the minutes of previous meetings.
These were reviewed and, unless otherwise on the agenda, noted.
7.
 - a To **CONSIDER** Planning Applications for **COMMENTS**.
 - a.i DC/23/3984/VOC - Variation of C34 - Footway via Barrack Square.
As the application had been modified to take account of Waldringfield PC's earlier objection, the Council **AGREED to SUPPORT** the variation proposed. Proposed by Cllr Elliot seconded by Cllr Kay with all in favour.
 - a.ii DC/24/1548/FUL - Construction of a new dwelling with detached garage with annex above - The Kilns, Deben Lane, Waldringfield, Suffolk – Planning Officer E Attwood; Comments deadline 24 May 24

2076

It was **AGREED to SUPPORT** the revised plan now submitted (which involved a relocation of the proposed building, together with detailed planting proposals) provided that a lighting plan would be included and that there would be a clarification of the apparently erroneous red line boundary on the drawing of the site.

b To MAKE ARRANGEMENTS to deal with applications received after publication of this agenda.
None received.

c To NOTE any application decisions received – These were noted.

d To RECEIVE any other planning information.

DC/24/0449/FUL Change of use of land for the storage of containers (associated with Port of Felixstowe), including erection of associated fencing. Part Land at Foxburrow Farm Waldringfield Road Brightwell Ipswich Suffolk IP10 OBZ.

It was noted that the application was due for determination by the 30th May. The applicant had produced many responses to the various objections raised including those raised by Waldringfield PC. An ESC Planning Committee South meeting was due to be held on the 28th, at which it would be likely to be debated (if not already delegated to the officers), but no agenda or officer's report had as yet been published. The District Councillors present said that they shared the concerns raised and would seek clarification.

It was also reported that Taylor Wimpey had embarked on a pre-application consultation regarding detailed plans for Zone W6 on the Brightwell Lakes development. The Council agreed not to comment on the proposals at this stage.

e To RECEIVE update from the Brightwell Lakes Forum.

Cllrs Elliot and Kay updated the Council on recent developments. Initial planting of the SANG was already under way and a revised lighting plan had been submitted “to prevent backspill”. There was still a concerning lack of clarity about the potential scale to be allowed in the use of the secondary access to the development from the Ipswich Rd – there appeared to be disagreement about this within SCC Highways.

8. a To RECEIVE updates from Greener Waldringfield.

Cllr Quick updated the PC and in particular reported that the cluster working with neighbouring parishes on biodiversity planning was under way. She hoped that, given the urgency of tackling the climate crisis, more villagers would join in initiatives to counter and mitigate this.

b To RECEIVE update on the Litter Walk held 18 April 2024.

Cllr Reid reported that 11 people had turned out for this, the first of the long-established litter walks to be held under the PC’s auspices. 23 bags of rubbish had been collected plus some large items such as car tyres. The warning signs purchased by the PC had been appreciated by the volunteers

9. To RECEIVE the monthly playing field inspection report.

Cllr Forsdike spoke to his report and agreed to obtain an estimate for the removal of the rotting log assemblage. Planning to replace the fort is ongoing. He reported on the state of the tennis court surface and Cllr Kay undertook to appeal via the PC newsletter for volunteers to help revive the facility.

2077

10. To **RECIEVE** updates on the Warm Welcome provision.

Cllr Elliot reported that the remaining funds (as of the end of the last financial year) from the initial Warm Rooms grant were, as required, being returned to ESC. The meetings had been discontinued for the summer but those involved hoped that the initiative, much valued by those attending, would be revived in the autumn. In the meantime a source of funding would need to be identified. The PC expressed their gratitude to Cllr Elliot and the 19 volunteers who had been involved.

11. To **RECEIVE** updates regarding AONB Signage for the village.

Cllr Reid reminded the PC that in 2017 and subsequently he had, on the PC's behalf, been in contact with the AONB about installing an entry sign at the Heath crossroads to increase awareness and encourage respect for the countryside. The AONB had agreed in principle, entry signs being included in their development plan, but the project had been held up by protracted discussions about both locally and nationally driven changes to the area's name. These were finally resolved in November 2023 in favour of the designation "Suffolk and Essex Coasts and Heaths National Landscape". Cllr Reid had recently met the chief executive and had since agreed to help develop the proposal.

12. To **CONSIDER** responding to SCC regarding bus services in the village.

The Clerk had written to SCC about the lack of provision and was awaiting a reply.

13. **CLERK and RFO REPORT**

- a To **CONSIDER and APPROVE** applications for community grants.

The application from the Parish Church for a grant of £750 was **APPROVED** by all, proposed by Cllr Elliot, seconded by Cllr Kay. An application from Greener Waldringfield is awaited.

- b To **NOTE** receipt of first instalment payment of Precept of £8,702.12.

This was noted.

- c To **CONSIDER and APPROVE** items of expenditure, and arrange for approval of BACS accordingly – see separate list.

These were **APPROVED** by all, proposed by Cllr Kay, seconded by Cllr Quick. Cllrs Kay and Elliot agreed to arrange for the consequent approval of the BACS transfers.

- d To **RECEIVE and APPROVE** the Financial Reports and **UNDERTAKE** the independent Bank Reconciliation.

These were **APPROVED** by all, proposed by Cllr Shore and seconded by Cllr Kay.

14. To **RECEIVE** updates/reports on public rights of way, verges and road safety matters.

It was noted that the first cut of the footpath verges had been completed. It was decided to ask the Clerk to contact SCC Highways to check on the progress of the work to be undertaken on the Eureka entrance.

15. To **CONSIDER** any correspondence received before the meeting – see separate list.

The large volume of correspondence received was commented on. Cllr Reid suggested that, regarding some organisations, if they communicated less often their messages would be more likely to be read.

16. PARISH MATTERS for the next meeting.

Warm Room funding and the Emergency Policy.

The Meeting Closed: 21.05

ACTION POINTS

Below are the current figures of the programme costs:

	Total Costs	£466.50
Grant carried to next programme		£1,988.50

	Total Costs	£405.60
Remaining grant		£1,582.90
Total programme costs to date	£872.10	

ESC have been unable to carry-forward the amount of un-spend grant due to their own funding restrictions. They have agreed funding of the summer programme - £206.25. Therefore, the total grant to be returned is £1,376.65.

During budgeting, some buffer was added to the budget line to assist in the running of the provision should this be the case. This was £500.00. The Clerk will also be contacting ESC closer to autumn to determine if any funding is available for this programme in their next funding round.

The budget line will absorb the costs of the repayment indicating the amount of funding remaining for the provision.
