#### SUFFOLK COUNTY COUNCIL ANNUAL REPORT 2017

The changes that began in 2015 are continuing; changes that are bringing about more effective and efficient services and an overall understanding of the future possibilities for local government. Assessment of the future is essential, in particular, in relation to our continuing need to make savings.

The Council has made savings in excess of £200ml since 2011 and is required to make further savings of £120ml up to 2020. (After 2020 there will be no grant to local councils, they will be expected to finance their services through business rate retention). The council decided to implement the 3% Nation Adult Social Care Levy and this enables the council to strengthen the care sector. SCC is committed to running a low-tax county and this we have done by freezing Council tax since in 2010.

Fortunately partnership working, which I have long supported, is starting to have an effect. This is particularly noticeable with the police and fire service and with the joint working of social care and mental health. However, I must admit to an impatience for greater involvement and recognise that, perhaps, the main reluctance to partnership is the loss of prestige/power. Organisations are unwilling to forego their prominence. But it has to happen in order for services to continue to provide.

Maintaining Suffolk's roads is a priority and SCC has invested £10ml in a programme of surface dressing that has enabled 300 miles of road to be renewed.. Pot holes are disappearing!

On the subject of highways, I continue to re-iterate my concern to SCC, The Highways Agency, police and local MPs of the need for an emergency action plan for dealing with the traffic chaos that arises when the Orwell Bridge is closed and vehicles diverted through Ipswich. It is relatively straightforward if the bridge is closed due to high winds, altho' this was not the case last November, as there should be plenty of warning. If an accident happens then there is no warning and hours of delay ensue. I recently attended a meeting with the Highways Agency and SCC Highways Management at SCC and raised the issue of allowing low sided vehicles crossing the Orwell Bridge in wind conditions that would be too strong for high sided. This is being considered.

I am pleased to report improvement in Suffolk schools. Figures published by The Department of Education confirm that Suffolk's GCSE progress has, for the first time, risen above the national average. Suffolk is now ranked in the top half of all authorities at 55<sup>th</sup> out of 151.

I chair the Police & Crime Panel that both challenges and supports the Police Commissioner. The Panel's last meeting in March focused on: partnership working, something of which the Commissioner is very concerned; protecting vulnerable people, those affected by domestic abuse, exploitation and drug use. I have one to one meetings with the Commissioner every quarter to receive an update on issues and convey any special concerns.

I have spent all my locality grant, £12,000 on such projects as: speed control sign, new playground equipment, replacement church windows, notice boards, barrier for recreation ground, posts for war memorial and much more. I have schemes on-going within my local highways budget.

Lastly, I would like to say that despite the disruption that is invariably caused by changes, SCC is a good organisation with dedicated staff and members.

Patricia O'Brien

Another busy year and thank you to everyone who gets in touch with me to keep me up to date with what is concerning you in your villages. I attempt to attend your Parish Council Meetings but due to clashes of dates this is not always possible, however I do always get a monthly report to you.

The move to the new Council Office has taken place and will save a great deal of money for the Tax Payers. Officers are pleased with their new working environment.

The Merger has been agreed by both Suffolk Coastal and Waveney District Councils and will take place in May 2019. Work is being done to make this a smooth transition. The 90 Councillors who cover the 2 districts at present will be reduced to 60-65 by the boundary Commission. SCDC went through a boundary review recently but WDC has not done so for many years. The 2 councils have shared a Chief Executive and other officers for several years now and it works very well as well as saving money.

#### <u>Planning</u>

The Innocence Farm scoping has taken up a lot of time. It is expected that Bidwells will try to get it included in the Review of the Core Strategy which is being undertaken at the moment. This document will not be completed before mid 2019. All Parish Councils will be given the opportunity for meetings with officers so that your concerns and wishes for your villages can be addressed.

There are proposals for more affordable housing in some villages on sites abutting the physical limits. It is hoped that these will eventually be taken on as the council's own housing stock. Something SCDC has not had since it sold its stock many years ago. Commuted sums from housing developments for affordable housing has to be returned to the developers if it has not been used within so many years. Whilst people are on Housing List their needs have to be prioritised.

The Govt. White Paper on Planning emphasised the need to look again at developing Neighbourhood Plans which enable people to have a say in what they would like to see in their villages. They take a couple of years to produce because of all the consultations and are voted on by everyone in the village. They are then approved by an inspector and are "Made" by the Council. They will become legal planning documents.

43 houses are being built in Kirton and the developers expect to be off site in late summer. Lots of people have moved in and are very pleased with their new homes. Kirton play area has been given a face lift with lots of new equipment chosen by young parents. This is due to playspace funding which developers contribute to. Plans have been approved for new business units and housing in Bucklesham and some individual houses in Newbourne and Waldringfield and Kirton and Falkenham. This housing supports the local schools, pubs and businesses. The Artisan Smoke House has opened in Falkenham and is a great success.

#### Beach Huts

Consideration is still being given to the consultation and the many letters received. Decisions will be made over the next 12 months. I have already said that I have never seen such a biased consultation.

#### <u>Deben Estuary Partnership.</u>

I work with this group which is made up of land owners and access groups footpath officers and the EA. Maintenance of Flood cells and river walls is very important as is the protection of the birdlife and nesting sites in the Estuary. At present we are looking for people who would be happy to commit to assessing the Tranquility aspect of the Deben Estuary. It would mean an hour or so on a monthly basis and training would be given. The Deben Estuary is unique and we want to keep it that way. If anyone is interested in helping with this please let me know.

#### Refurbishment of Car Parks and Leisure facilities

Woodbridge Leisure Centre will be refurbished starting in September. There will be a new gym, a new health suite with a steam room sauna and ice room.

Car Parks at Melton Riverside and Aldeburgh have been refurbished.

<u>Suffolk Walking Festival</u> is being launched at Sutton Hoo and runs from Sat 13th May to Sunday 4th June. This incorporates walks for experienced walkers and beginners, visit <u>www.suffolkwalkingfestival.co.uk</u>

There is a new Visitor Information centre at Aldeburgh cinema.

#### Community Enabling Budget

Finally I have spent my £6,000 enabling budget. This was on a new floor for the East Anglian Sailing Trust and refurbishing the village hall floor at Levington.

Fencing round the Village hall car park at Newbourne. A new tent for Guides, a free games afternoon to celebrate the Queens official birthday, and some posts to protect the edge of the village green at Kirton. Training and equipment for the East Suffolk Association for the Blind which covers home visits for blind people. New yellow bowls and carpet for those with impaired vision at Bucklesham as well as paying for the Bucklesham Bugle newsletter.

Finally Waldringfield received enough grant to enable another set of Speed Watch equipment to be bought which will be available for use in our villages. For 2017/18 I shall have £6500 available so please think about any projects you might have.
